

## 2022 MN State Fair Scavenger Hunt

There's no I in Team – but also there's no prize for the winners other than gloating – so today we're all going for personal points. A lot of point opportunities increase with partners so community is encouraged. Also, we can do this all together, break out into groups or lone wolf it.

To get a point you have to post a picture or video of proof on the FB event page: <https://www.facebook.com/events/627567658732140/> or post and tag me on Twitter (@AnnT) or Instagram (@annttreacy). Or just text me – or keep track yourself.

1. Get a group picture calendar at the Education Building – a point for each participant in the photo.
2. Put bunny ears on a butter princess picture.
3. Get a team to go down the giant slide – point per person going at once (or once-ish).
4. See a band – post a picture or video. (Point per band; bonus points, tag them as that's a nice thing to do.)
5. Catch a live birth at the CHS Miracle of Birth Center.
6. Get a picture with a famous person – point per famous person. (Candidates count.)
7. Eat a Fair favorite: cheese curds, Sweet Martha's, Tom Thumb, corn on the cob or fries. (Point per treat)
